

ZIBO JINGGAN REFRACTORY IMPORT AND EXPORT CO.,LTD

Address:NO. 3, Yanhe Road, Boshan, Zibo, Shandong, China
Email:wp@cnjingganrefractory.com/sdwenping@163.com
Contact:Rose Tel/Wechat:+86-13275332819
Tel:86-533-4188518 Fax:86-533-4188518

Perforated Calcium Silicate Board

1, Salient features

- 1) Material performance is stable, not easy to deform, durable
- 2) The hole density is uniform and has good sound insulation effect
- 3) Water repellent, moisture-proof, low water absorption, anti-corrosion

2, Introduction: Perforated Calcium Silicate Board is made of calcium, siliceous and fiber as the main raw materials. After chemical reaction under high temperature and high pressure, Inorganic mineral building materials with mullite as main crystal phase, the product is white, non asbestos, non-toxic, tasteless, heat insulation, sound insulation, sound absorption, moisture-proof and fire-proof. It is an excellent environmental protection building material product. Products are widely used in decoration industry ceiling, wall sound insulation, insulation area, good use effect, long life.

3, Specification

Thickness: 4,6,8,10mm

Bore diameter:6,8,10,12mm

Width:600,1220mm

Length:1200,2440,3000mm

4, Main performance parameters

ITEM	UNIT	TECHNCIAL INDEX
Density	g/cm ³	>1.2
Thermal conductivity	w/m.k	≤0.30
Water absorption	%	≤45
Swelling rate	%	≤0.25
Fireproofing performance		A grade

ZIBO JINGGAN REFRACTORY IMPORT AND EXPORT CO.,LTD

Flexural strength	Mpa	≥ 12
Impact strength	Kj/m ²	≥ 1.8

5, Remarkable features:

- 1) Good moisture resistance, no expansion or deformation
- 2) It is fire-retardant and will not produce harmful smoke
- 3) No asbestos, no poison, no radiation
- 4) High strength, light weight
- 5) Heat insulation, sound absorption, noise reduction
- 6) anti-aging, mildew proofing and moth proofing.

6, Good feedback of product use effect, the products have been exported to South Korea, Russia, Pakistan

7, We are a professional supplier, who can provide customers with free product technology, use and other issues

Do you want to find a professional supplier of refractory products?

Do you want to find a professional supplier of graphite electrodes?

Do you want to find a stable and credible supplier?

Then let's contact with jinggan company
